Things to Keep in Mind When Writing the Essay

Title and Other Information

Fill in the file name (applicant’s last name_first name), country, school name, title of the essay, and the applicant’s name at the top of your essay.

Main Text

You may use subheadings throughout the main text to give your essay a clearer structure.

Quotes and References

If you quote the thoughts or words of another person, use quotation marks around the text (「 」) and clarify within the body of the essay who the author is.

For example

詩人の蒼井幸雄は「空ほど私の心の色を映すものはない」（蒼井、2001、p.5）と書いた。

(Author’s surname、publication year、quoted pages)

A list of reference materials 「文献一覧」 to be placed after the essay

From a book:

筑波太郎 『アートライターになるには』 アートライティング社、2008年
(Author's surname, first name. 『Title of book』 Publisher、 Publication year)

From a journal article:

蒼井幸雄 「空」 『地球をめぐる詩人たち』 第1巻、アートライター出版、2001年、pp.5-15
(Author's surname, first name. 「Article title」 『Journal or Book title』 volume number、 Publisher、 publication year、 page numbers)

From the internet:

筑波大学芸術専門学群 「芸術専門学群の歴史」 筑波大学芸術サイト、2021年9月1日アクセス、
<https://www.geijutsu.tsukuba.ac.jp>
(Author's name 「Title」 Site name、 Accessed date、 URL)

Pictures and Photographs

Show as many of the images and art works you refer to in the essay as possible.

However, rather than pasting lots of images at once in the essay, try to effectively place necessary images throughout the essay in a way that ensures things can easily be seen.

If any artistic works are used in the essay, provide a brief explanation of the work in parentheses (Artist's name, Title of work, size, materials used, technique used, year of creation, place housing the work, etc.) in the body of the essay.
Alternatively, you can provide this explanation as a caption below the image.

Directly paste the images within the essay file, and use the "text wrap" setting within Word so that the images and text do not end up on top of each other.

Put the text for caption in a text box and place it below the image.

Then, use the grouping function in Word to group the text and image.

This makes the layout easier to maintain.

If more than one image is placed within the essay, add a number to the caption for the picture in the chronological order that it appears, such as 図1.

Note that if the contest hosts decide to display a submitted essay publicly, the work may be presented with images removed for copyright reasons.

A list of figures 「図版一覧」 to be placed after the list of reference materials

If you quote images from a book or other materials, list the references as shown below:

From a book:

図1 草間彌生 「幸福の住処」、国立新美術館 『草間彌生 わが永遠の魂』 朝日出版社、2017年、p.51
(Artist's name 「Title of the image」 Author's name 『Book title』 Publisher、 publication year、 page number)
